The following is an overview of how the Entries will be randomly selected for this Promotion.

After an established Entry deadline date, but prior to the Drawing, all eligible Entries submitted for that specific Drawing will be accounted for by the Rewards Program Provider. The Virginia Lottery's Audit, Security, and Marketing departments will retrieve and verify the Entries. This process will involve independent confirmation of the submitted Entry information and the number of valid Entries received for that Drawing. After the submitted Entry information and number of valid Entries received have been confirmed, all valid Entries submitted and received by the established Entry deadline date will be loaded into a randomizer program supplied to the Virginia Lottery by the Rewards Program Provider.

1. Representatives from the Virginia Lottery's Audit, Security, and Marketing departments will participate in and observe the Drawings. All Drawings will be conducted over a video conferencing platform and recorded. Recordings will be maintained and stored in accordance with the Library of Virginia retention schedules.
2. Prizewinners will be randomly selected. The order in which the Winning Entries are drawn shall be recorded by Lottery officials. The Lottery's decision shall be final and controlling.
3. Immediately after the Winning Entries are selected for the Drawing, Alternate Winning Entries will be selected using the same approved Rewards Platform Provider's randomizer program utilizing the same process in selecting the Winning Entries. If the number of Winning Entries selected in the Drawing is less than fifty (50), ten (10) alternate Winning Entries will be selected. If the number of Winning Entries selected in the Drawing is fifty (50) or more, twenty (20) alternate Winning Entries will be selected.
4. After the Drawing is complete, representatives of the Virginia Lottery's Security, Audit, and Marketing departments will confirm the Winning Entries selected in the Drawing are valid and meet all Entry requirements as stated in the official Promotion Rules governing the Drawing.

Any Alternate Winning Entry selected as a Winning Entry also will be required to meet all Entry requirements stated in the official Promotion Rules governing the Drawing before they are officially accepted as a Winning Entry. This process shall continue until all valid Winning Entries have been selected for the Drawing. The Virginia Lottery's decision during this process shall be final and controlling.

J. PRIZEWINNER PROCEDURES:

Each Rewards Prizewinner who has an Entry selected in a Prize Drawing with this Promotion will be notified by the Lottery via the United States Postal Service (USPS) and via the email address associated with the selected Winning Entry.
