

ADDENDUM NO. 2 TO ALL BIDDERS:

Reference: Request for Sealed Proposals, RFP# PR13393KA, Addendum 2 Bid Closing Date Extension

Commodity: Travel Management Services

Dated: September 1, 2026

“Offerors must acknowledge receipt of all addenda in their proposals.”

Due to the scheduled eVA system upgrades from September 10, 2026, through September 14, 2026, and to minimize the possibility of submission-related technical issues for Bidders during that period, the Virginia Lottery is extending the bid closing date to September 21, 2026, at 1:00 PM ET. This extension is being provided out of an abundance of caution to help ensure all Bidders have a fair and reasonable opportunity to submit their bids without possibility of disruption resulting from the eVA system upgrade.

eVA is a Commonwealth of Virginia procurement system that is administered and maintained externally to the Virginia Lottery. As a result, the Virginia Lottery does not control the scheduling or execution of eVA system maintenance and upgrades.

The Closing Date specified in the solicitation is amended as follows:

From: September 11, 2026, at 1:00 PM ET

To: September 21, 2026, at 1:00 PM ET

Sincerely,

A handwritten signature in black ink, appearing to read 'Kita Ashurst'.
