Please see the instructions below to learn how to access your W-2G form(s) for tax purposes. (Please note: Prizes between \$100 and \$599 will not generate W2-Gs.)

Player Has Access to Account

If you have access to your account, you can go to My Account > History > Claims & Pending Prizes. You should then see the prizes you've won, and there will be a button on the right of the prize listing where you can view your W-2G.

Player Does Not Have Access to Account

If you are self-excluded or have a disabled account and have previously won a major prize, you may obtain a copy of your W-2G form by contacting the Virginia Lottery through the <u>Contact Us</u> page. The Virginia Lottery will send you a duplicate W-2G form to the address on file.

If you have moved and would like your W-2G sent to an address other than the one on file, you will need to mail in a copy of your proof of residency or go to a Virginia Lottery office with a copy of your proof of residency. The Virginia Lottery will then mail your W-2G to the new address.
